For stating that the Principals of the Maharaja's College is not in favor of Reducing the number of Special Scholarships or for adding the Condition of necessity to that of merit in the Rules for the grant of these Scholarships and that the Principal of the Central College is also not in favor of reducing the Scholarships unless the Honors Course Scholarships are made tenable for 2 years in the State Colleges

The Principal of the Maharaja's College is however of opinion that the Value of the 8th Scholarships may be Reduced from Rs 10 to 8

5 The existing rules may, I think, be allowed to remain as they are. A reduction either in the number or the amount of the scholarships seems unnecessary

Secretary) 16/2/12

I believe the Scholarship carries with it an exemption from fees - If so the amount may well be reduced from Rs 10 to Rs 8.

This is probably right but I should like it to be verified - 4/2/12

If I believe the most valuable Scholarship given in the Presidency College Madras is of the value of 10 or 12 Rs per month but it carries with it no exemption from 'fees', & the Scholarship just covers the fees & leaves only a small balance after doing so

The Scholarships in Mysore colleges & schools are very (and I fear rather needlessly) liberal -

Offg Secretary to the Govt of His Highness the
Maharaja of Mysore, General and Revenue Departments

SIR,

With reference to your letter No 6500/Edn 22-11-10 dated the 9th March 1912 directing that a report should be submitted in consultation with the Principals of the two Colleges as to whether any modification should be made in the rules for the grant of special scholarships tenable in the Intermediate and P A classes, with reference to distinctions obtained in different subjects, I have the honour to inform you that the Principal of the Maharaja's College Mysore is of opinion that these scholarships may be given to any student who passes in the first class irrespective of the optional subject he has taken The Principal of the Central College is of opinion that it is not desirable to assign a fixed proportion of the special scholarships to each group of the Intermediate subjects and that it is quite conceivable that in any particular year all the candidates from the Mysore Colleges should be found in group I or ii or iii or in any two of these groups He thinks also that it is desirable to reserve to ~~xxxx~~ Government for the present some freedom of choice, until some further experience of the Intermediate examination is gained

2 Under the circumstances, no modification in the rules is desirable
